Rubber ducks are still needed otherwise the carnival is good. There will be a meeting at Anne's house to test the games with the kids. The date and time are to be announced. Volunteers are still needed to donate 1-2 hours for the carnival. A few things the carnival will offer are seven games, three crafts, four bounce houses, stuff an animal, face painting, etc. Bus and mountain money goal will be at the pancake dinner to raise money for school trips. The permit will need to be amended for the carnival for first floor, teacher's lounge, and blacktop.
