### Franklin Family Fun Fest

Something new this year is our Franklin Family Fun Fest on **Saturday, May 22nd**. This is a year-end carnival. There will be lots to do and fun to be had at this event. We will be having food and different games, plus airbrush tattoos and face painting. Look for more details coming up in the newsletter next month. There will also be a flier sent out at a later date. Everyone is welcome!

### A Safety Reminder

We would like to remind everyone how important it is to be safe when dropping off and picking up your children. Pulling in the school on the wrong side or stopping in the middle of the street isn't the safest way to do it. Please know that us as parents need to follow these rules, not only is it safer but it makes it easier as well. Here are the recommended areas to drop off your kids safely:

- If you are parking, the best option is in the Mount Hope parking lot across the street from school. The church has offered us their space before and after school. You can either walk with your kids or have the crossing guard help them cross the street safely.
- Drop-off Drive Please no parking during drop off and pick up times. Enter from 85th Street drive all the way up and let your kids out so that the car behind you can do the same. Please exit on 86th St. taking a right, turning left is dangerous for the buses and pedestrians.
- If you choose 85th Street, please park legally. Blocking drive-ways or stopping and letting your children out are dangerous and causes backup.
- If you choose 86th Street, again please follow the parking signs. There is only parking on the side closest to school. Also be aware that stopping in the middle of the street to let your children out doesn't allow both sides of traffic to flow through, causing an accident or someone getting hurt.

Please help us follow these safety rules, being courteous to other parents helps be a good role model for our kids while keeping them safe. Any questions please contact Nicole Danek @(414)704-0018.
